Sir,

I have the honour to inform you that the present building of the Government Girls' School at Holar which was formally made over to Government in the Educational Department by the towns-

people in conformity with para 1 of the proceedings of the meeting of the school committee held on the 16th August 1892, is utterly unsuitable for the purposes of the school. The school committee which is

presided over by the Deputy Commissioner

Mr Madhah has resolved on the 2nd May 1895 that instead of erecting a new building at a high cost, the house of one Shroff Sanram Rao at Holar may be purchased for Rs 1600, and the adjoining lands belonging to the private underde named in the accompanying sketch acquired as to render the whole building suitable for

3

Purposes of the Holar Girls' School I have seen the house and its surroundings and approve of the suggestions of the Managing Committee. The cost of the purchase of the house, its necessary repairs and the acquisition of the adjoining lands and house is estimated at Rs 2441 as per statement hereunto enclosed. The sum of Rs 400/- transferred to this Department by the townsmen in cash when the school building was made over to Government by them, has now amounted with interest to Rs 430 which is in the hands of the Managing Committee of the school and the proceeds of the sale of the present building are estimated at Rs 450, so that Rs 880 are available to meet a portion of the cost of the new school house, and the net cost payable from the educational funds is Rs 1561.

2. I have the honour to request therefore that Government may be pleased to sanction the payment of this sum, viz, Rs 1561 from the allotment for "Taluk School Buildings" in the Educational State Funds Budget for 1895-96, so that the purchase of the house referred to may be completed, and the adjoining lands required for the use of the Government Girls' School at Holar.

I have the honour to be,
Sir,
Your most obedient servant,
